

EASTON PARISH COUNCIL

Protocols for Public Participation in Council Meetings

This protocol applies to:

1. Participation in the Public Forum

This council meeting is not a public meeting, it is a meeting conducted in public, and is there is no requirement in law to provide a public forum. As the council meets and makes its decisions in public and is committed to community engagement, we warmly invite members of the public, the press, the police and district and county councillors to attend out meetings and contribute **within the public forum**.

Please respect the fact that this is a meeting to conduct council business and interjections during council business are not permitted. If you disrupt business in any way you may be asked to leave. If you feel for any reason that you do not wish to take part in the public forum or if your problem is complex, you might wish to provide information to the council prior to the meeting (at least 7 clear days if possible) using the contact details below.

- Public participation will be for a period of 15 minutes. This time may be increased (or decreased) at the Chairman's discretion.
- The agenda will indicate when the public participation will take place. This will be early in the agenda in order that councillors can take account of any views expressed when reaching their decisions.
- Questions and comments should address business on the agenda. Otherwise, in most cases, the matter will be carried forward, without discussion, to the next meeting.
- Verbal questions/comments addressed to the Chairman must not exceed 3 minutes in length.
- Only one question/comment on a topic to be received from each person but supplementary questions will be at the Chairman's discretion.
- No question shall be repeated within a 6 month period.

2. Reports in the Public Forum

We will also provide an opportunity for the police and district and county councillors to provide reports to the meeting and an opportunity to ask them questions will be given, at the council's discretion subject to the relevant conditions above with an overall time limit of twenty minutes including questions.
